## THEY WILL STILL LIVE!

Bishop Maes of the Diocese of Coving-ton publishes his promulgation of the Pope's decree, placing under the ban of the Catholic Church the Oddfellows, Knights of Pythias and Sons of Temper-

ance.
Only those who are members of these
Orders are qualified to judge of the entire groundlessness of the charges made
against their teachings.
But, in spite of the Pope's decree and
the Bishop's pronunciamento, the benevnest Orders will continue to do business
at the old stand.

sure that both its ends and its means are consistent with truth, justice and consistence.

"In making such a decision every Catholic ought to be convinced that his surest guide is the Church of Christ. She has in her custody the sacred deposit of Christian truth and morals, she has the experience of all ages and all Nations; she has the heart the true welfare of manikance of the Holy Ghost in her authoritative decisions, in her teachings and her warnings; therefore, we are sure to heart the voice of wisdom, prudence, justice and charity. From the hill top of her divine mission and her world wide experience, as sees events and their consequence far more clearly than they who are down in the tangled plain of daily life. She has seen associations that were once praiseworthy become peralicious by change of circumstances.

"She has seen others, which wen the "She has seen others, which won th

of justice—to condemn them. She has beheld associations which had their origin in the spirit of ages of faith, transformed by lapse of time, by loss of faith and by manipulation of designing leaders into open or hidden enemies of religion and human weal. Thus our Holy Father Leo open or hidden enemies of religion and human weal. Thus our Holy Father Leo Still, has hately shown that the Massnic and kindred societies, although the off-spiring of the ancient guilds, which aimed at sanctifying trades and tradesmen with the blessings of religion: and although retaining, perhaps, in their tritual much that tells of the religiousness of their origin; and although in some countries still professing entire friendliness toward the Christian religion—has already ones of far, in many countries, as to sarray themselves in awoved hostility against the Catholic Church as its embodiment; that they virtually aim at substituting a world-wide fraterativy of their own for the universal brotherios of Jesus Christ, and at disseminating mere naturalism for the super-natural reasoning virtualism for the super-natural reasoning children between unon natural revealed religion bestowed up maskind by the Savior of the world. Shas shown, too, that even in countries where they are as yet far from acknowled and the savior of the savior of the savior of the savior in the savior in the metagens, which, under savior in the savior in them the germs, which, under savior of the savior of wards and the savior of the savior of warming and the children would equally fail theirs if they did not heed it. "Classio the savior of the savior of the savior of the savior of warming and the children would equally fail theirs if they did not heed it." ("Pasto the savior of the sav

theirs if they did not heed it." Letter, Plenary Council of Balti Do not these words, dearly beloved, sound as if they were written for the sound as if they were written for the present occasion, to bring to your notice a most important decree of our Holy Father Leo XIII., condemning three well known societies? And yot these lines were penned more than ten years ago, and addressed by all the Archibishops and Bishops of the United States to their flock on the memorable occasion of the promulgation of the Third Plenary Council of Baltimore.

The Church is always the same; she is ever consistent in her teachings, she is ever true to her mission, and if at times she is slow to condemn, it is because she never condemns lightly, never without weighty and well weighed reasons, and because she disposes of God's own time, even to the consummation of the world." (Matt. xxviii., 39.)

In the fullilliment of her divine mission the holy Catholic Church has recently put the stamp of her disapproval upon the secret societies of Oddfellows. Sons of Temperance and Knights of Pythias, and all Catholics are hereby forbidden to join them or, if they already became members of them, are obliged to leave the m. \* \* \* "Whenever the Church has spokes an: "Whenever the Church has spokes an: "Whenever the Church has spokes an: "Whenever the Church has spokes an:

thoritatively with regard to any society, her decision ought to be find for ever Catholic. He ought to know that the Church has not acted hastily, nor un-wisely, nor mistakenly: he should be convinced that any worldly advantage which he might derive from membership in suck society, would be a poor substitute for the membership, the sacraments and the blessing of the Church of set, he should have the courage of his gloss convictions and stand dru to fa sac conscience." (Pastoral Letter of the Third Plenary Council of Baltimore.)

We therefore call upon all Catholics under our jurisdelton who have joined any of the three above-mentioned secret societies to resign membership in the

orders are qualified to judge of the emberger of the ground-lessense of the charges made against their teachings.

# To Wind Up the Season

We have just completed our first inventory, and we are more than pleases with the results of our four months labor. Whilst our margin of profit has been less than honest Boots and Shoes were ever sold for, the volume of our business did the work for us. We find, however, more winter stock on hand than we are willing to earry over, and this we place on sale at prices never before heard of. Ome and see the goods we offer in this sale. You will find them so cheap you will buy them whether you need them or not. You can afford to lay them asked until you do need them. Cost of the goods is not consistence.

COURT STREET

Did you ever think that relatives or friends who have moved to distant places—gone West, perhaps, to grow up with the country—are always slad to hear from their "Old Kentucky, Home?" And did it ever occur to you that a single copy of The MANNADE REPREDICAS—because the weekly edition of The Public Leigher—contains more home news than you could enhape in a hundred ordinary letter? And did it ever arrive you that you can send the paper to your relatives and friends for a whole year at less cost than you can send the paper week? Besides, don't you think a your's subscription to The Reprenaces would be a present highly appreciated by those at a distance? Suppose you try it and hear what they have to say on the shibles.
